### Application Features

One of the standout features of the Flight app is its Real-Time Availability & Instant Booking system. Users can explore a wide variety of tours and instantly check the availability of their chosen options. This feature ensures that users won't waste time selecting a tour only to find out it's fully booked.

Ensuring your safety and peace of mind during transactions is essential, which is why Flight integrates a Secure Payment Gateway. The app offers multiple payment methods, including credit/debit cards, PayPal, and other digital wallets, allowing users to choose their preferred way to pay for their tours.

Flight app offers Personalized Tour Recommendations based on your preferences, previous bookings, and search history. The app's intelligent recommendation engine analyzes your activity within the app and suggests tailored tours suited to your interests.
