Welcome To Tiinver

Welcome To Our Application

Welcome to Tinver, where the world connects, chats, and shares experiences in a vibrant, community-driven space. Tinver isn't just another chat app; it's a dynamic platform designed to bring people together in ways that are meaningful, creative, and fun. Whether you're here to stay in touch with friends, meet new people, or explore the latest trends, Tinver is your go-to app for all things social.

About Our Application

Tinver is a cutting-edge social networking application designed to bring people closer in a vibrant and engaging way. Inspired by the best features of leading social platforms, Tinver offers a unique blend of messaging, content sharing, and community-building tools, all wrapped in a sleek, user-friendly interface.

Application Advantages

01

User-Friendly Interface: Tinver is designed with simplicity and ease of use in mind. The intuitive layout allows users to navigate the app effortlessly, making it accessible for everyone, whether you're tech-savvy or new to social networking.

03

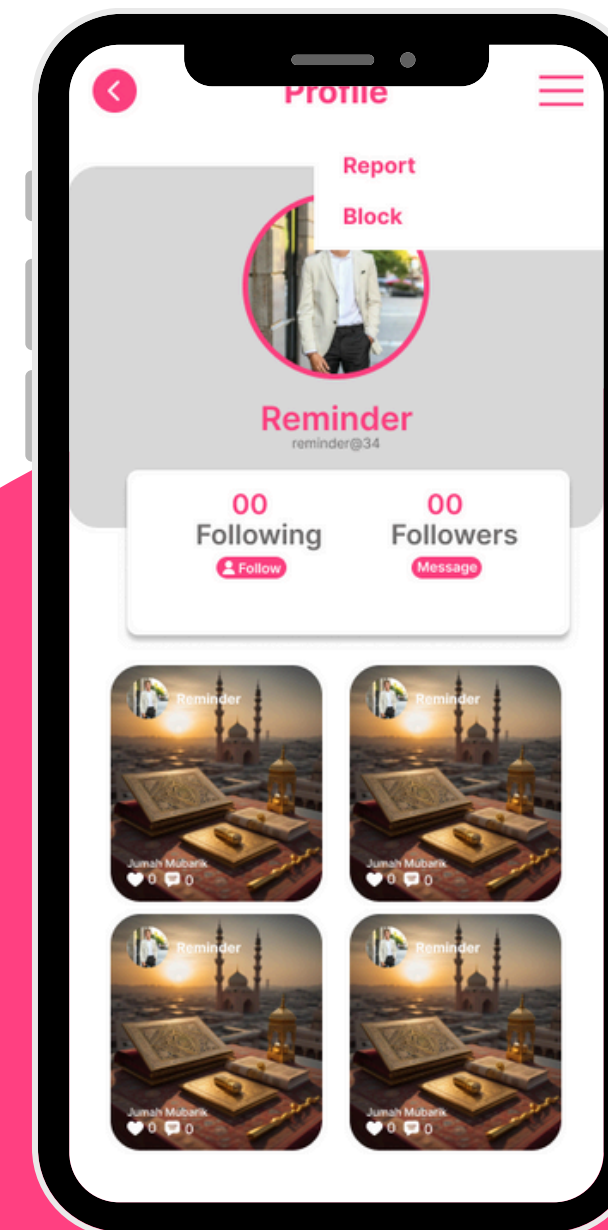

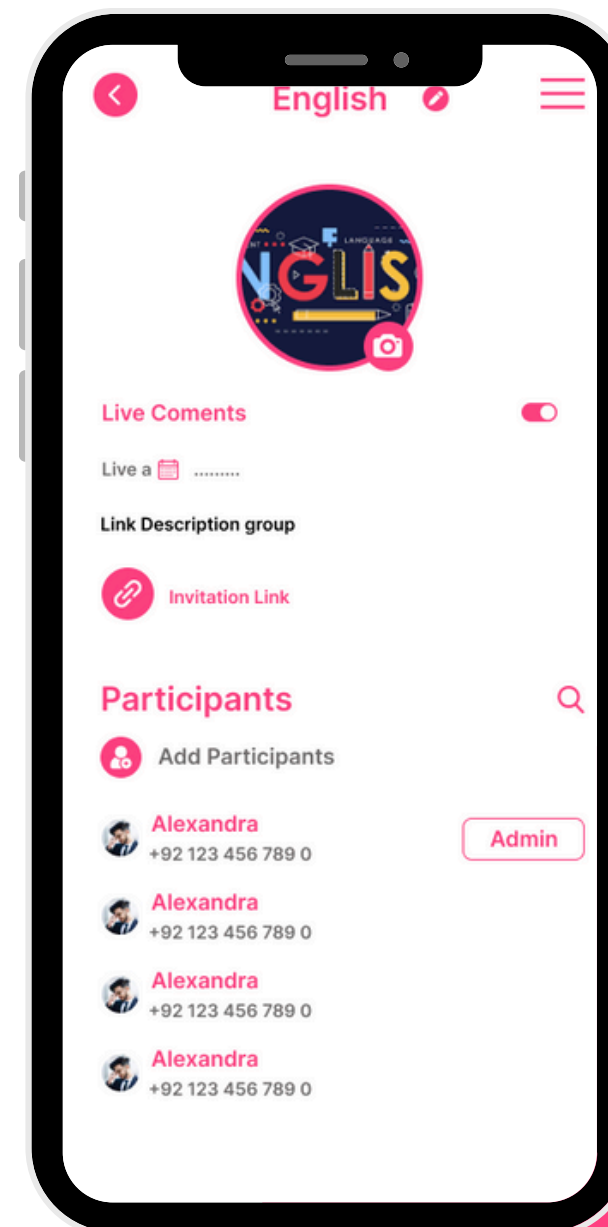

Customizable Experience: Tinver offers a high level of customization, allowing users to personalize their profiles, themes, and feeds. This ensures that your experience on the app reflects your unique style and preferences.

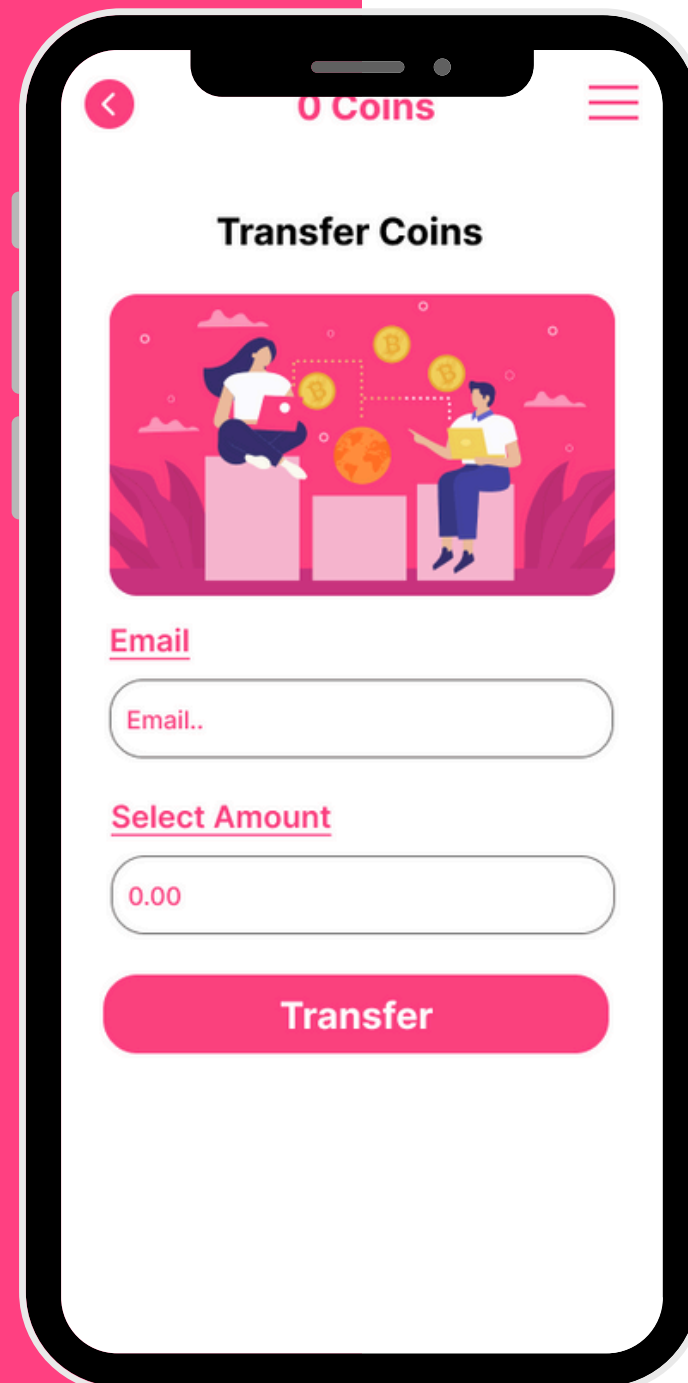

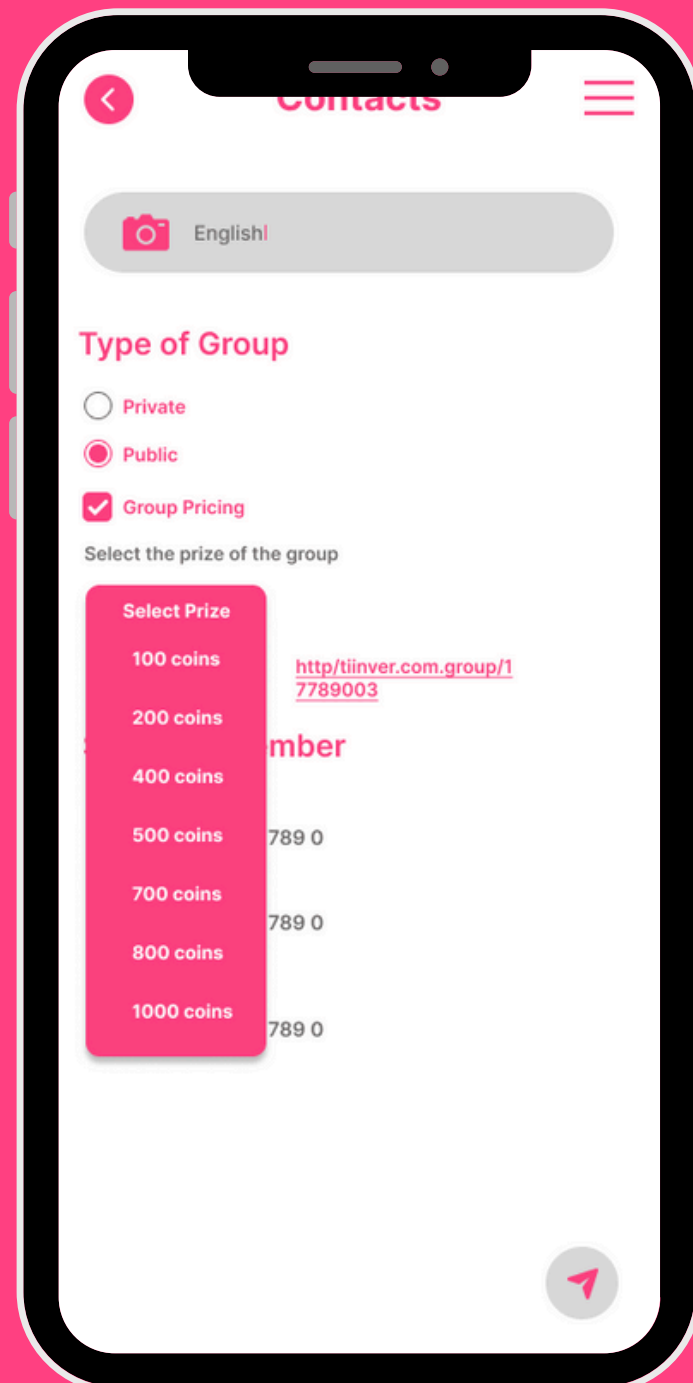

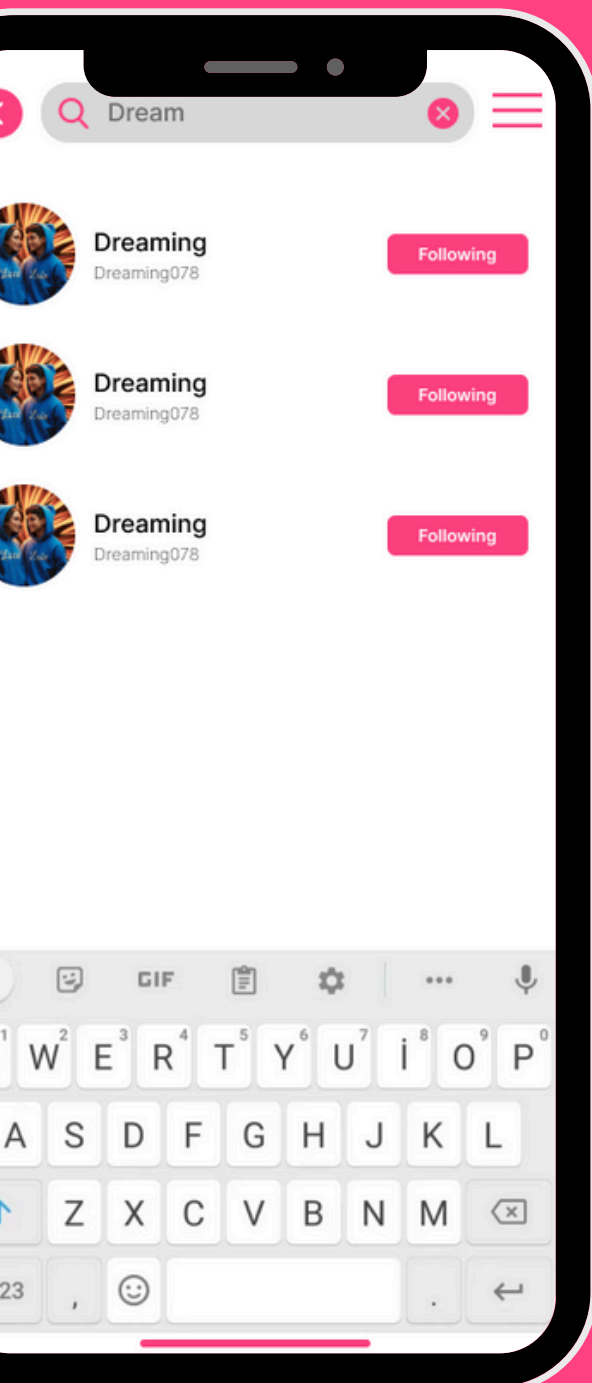

02

Enhanced Privacy and Security: Tinver prioritizes your privacy with state-of-the-art encryption and security features. Your personal data and conversations are protected, giving you peace of mind while you chat and share.

04

Engaging Community Features: With features like Stories and Explore, Tinver fosters a vibrant community where users can connect over shared interests, discover new content, and engage with others in meaningful ways.

Application Features

01

Instant Messaging and Video Calls: Connect with friends and family through real-time text, voice, and video messaging.

02

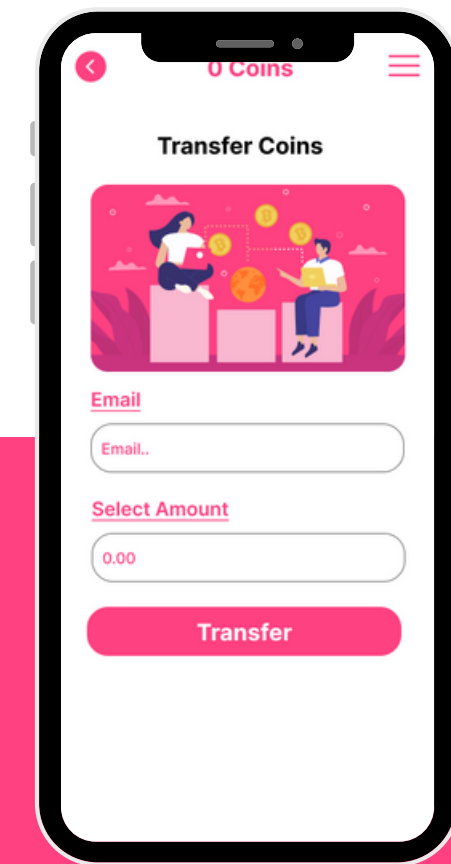

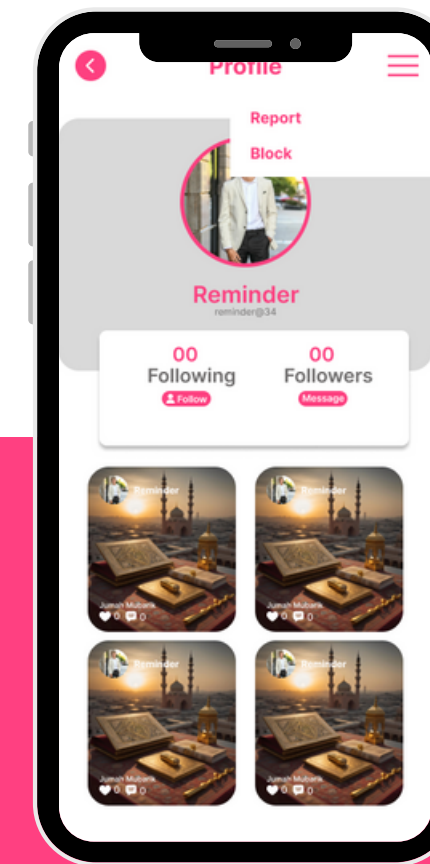

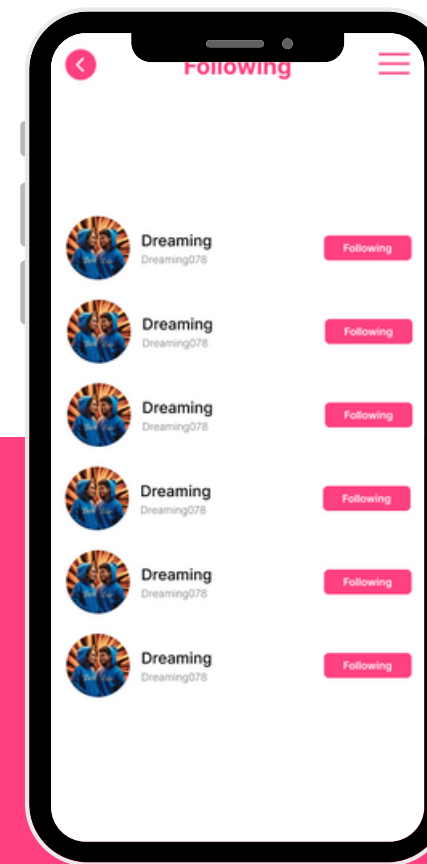

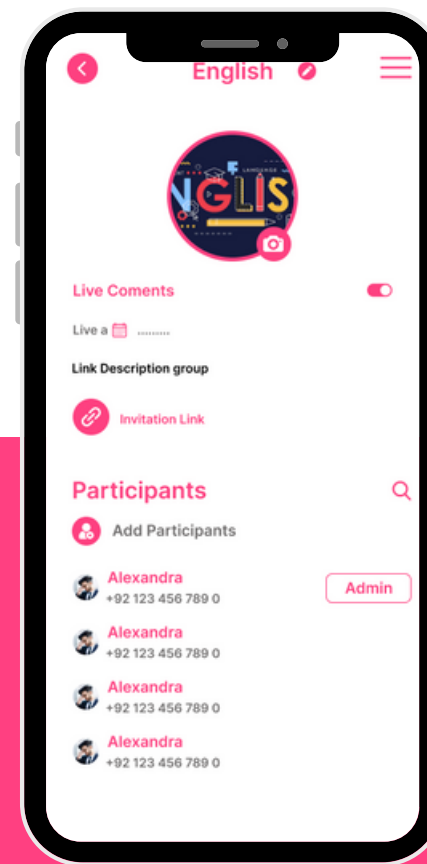

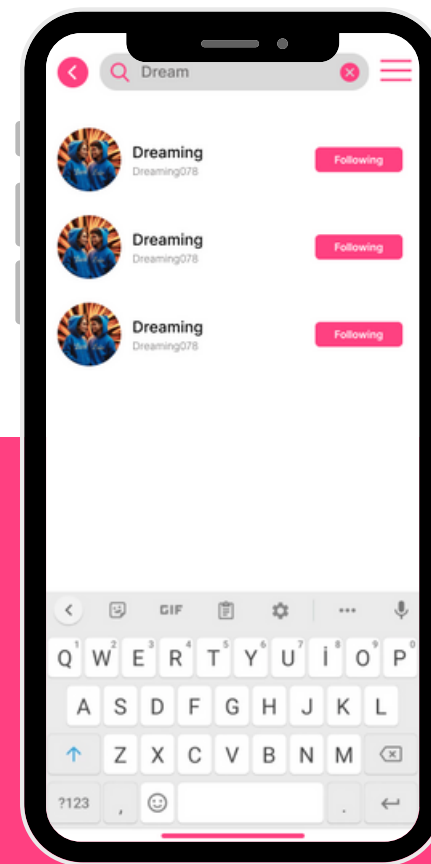

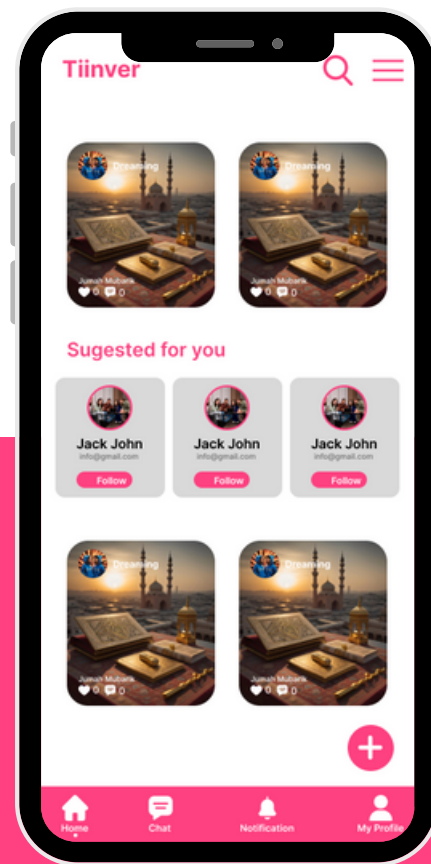

Stories: Share your moments through Tinver's Stories feature, where you can post photos, videos, and short updates that disappear after 24 hours.

03

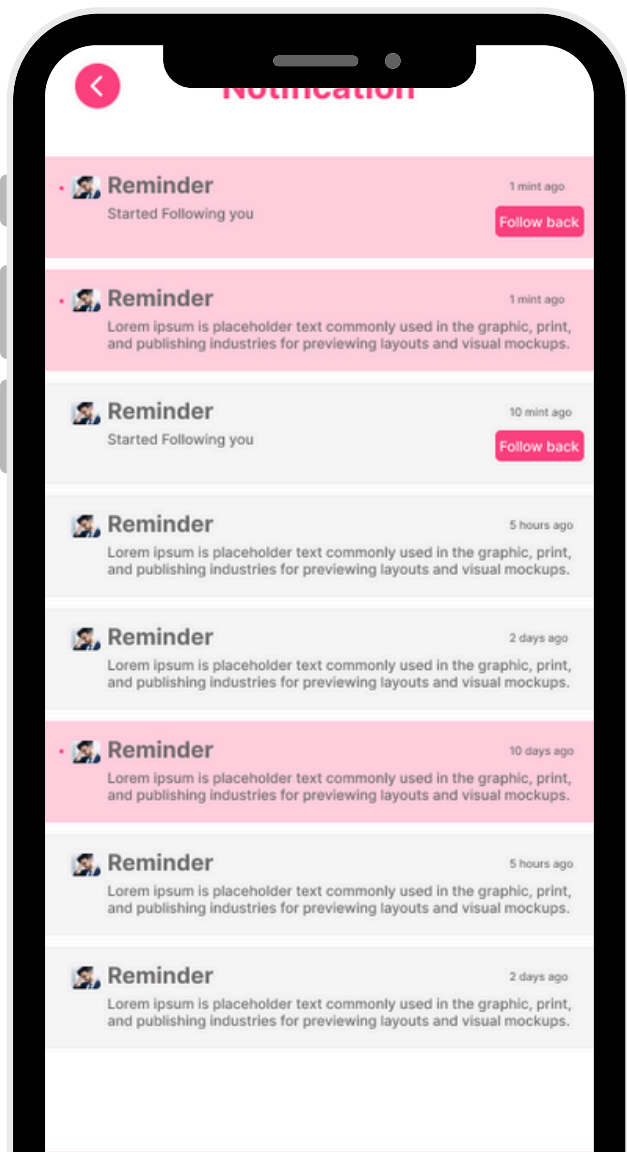

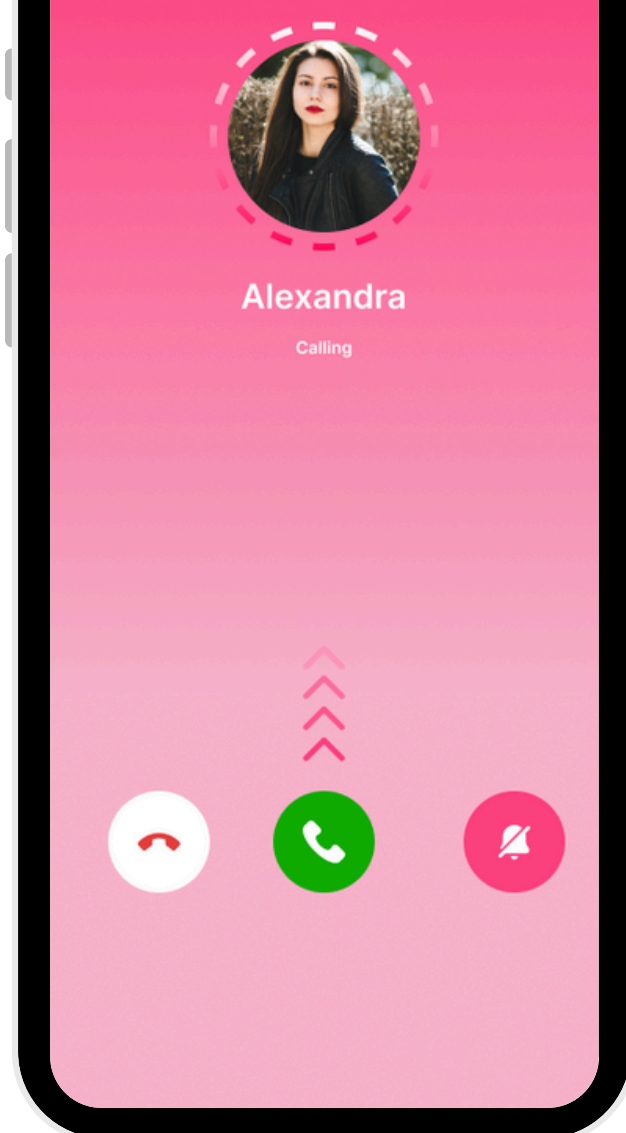

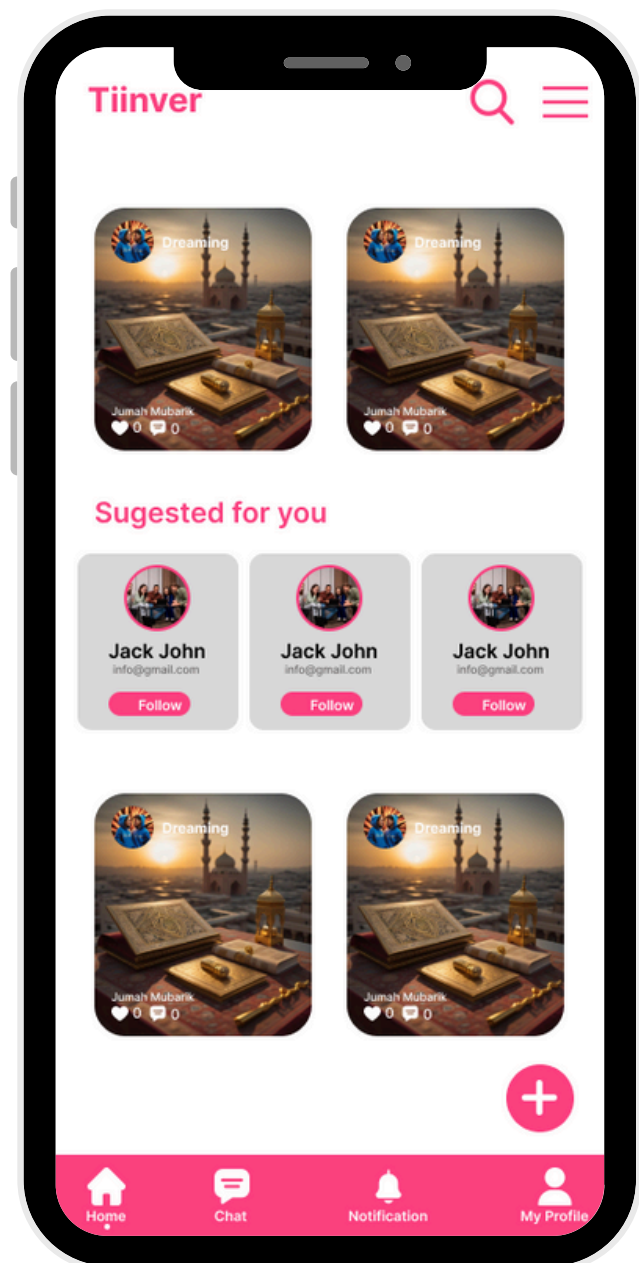

Explore and Discover: Dive into Tinver's Explore section to find trending content, join communities, and follow creators that match your interests.

Portfolio Section

The Tinver portfolio showcases the innovative design and functionality of a modern social networking application. Tinver is designed to offer users a seamless experience in connecting, sharing, and discovering content. The portfolio highlights the app's core features, including its intuitive instant messaging system, customizable profiles, and vibrant Stories feature that allows users to share their moments creatively.
