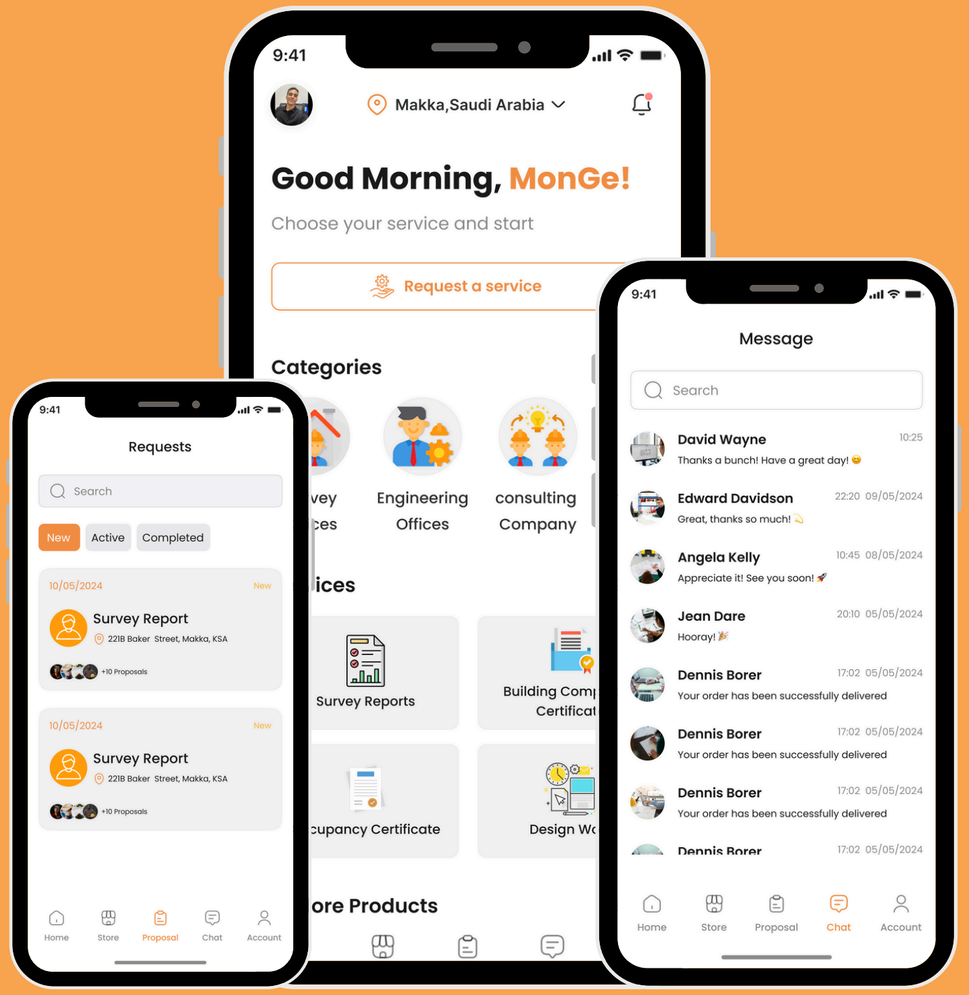
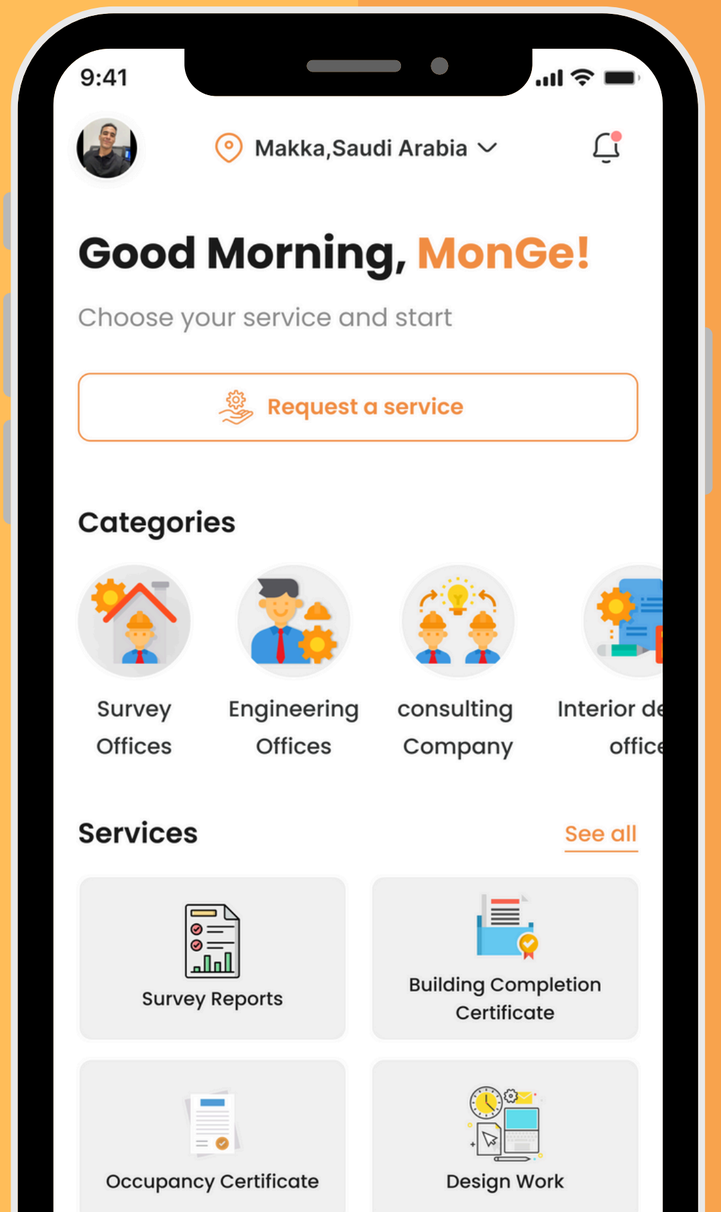
METER App



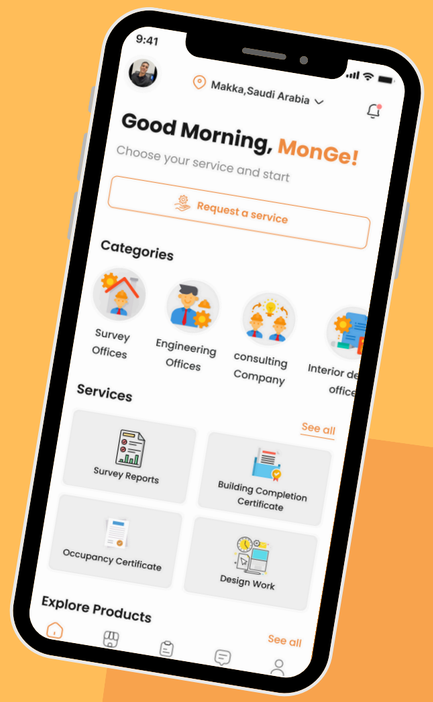


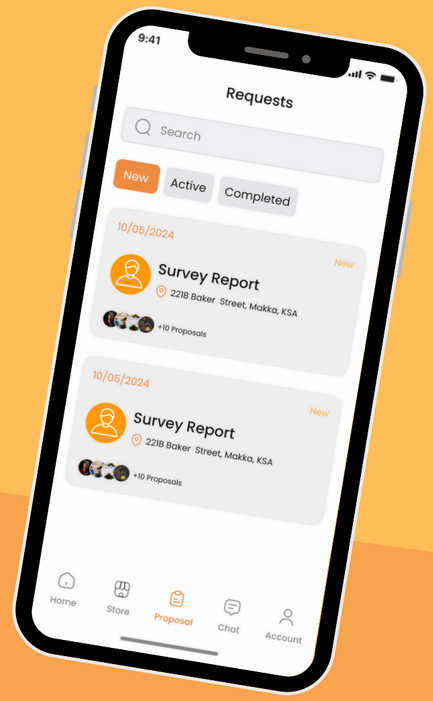
Welcome To Our Application

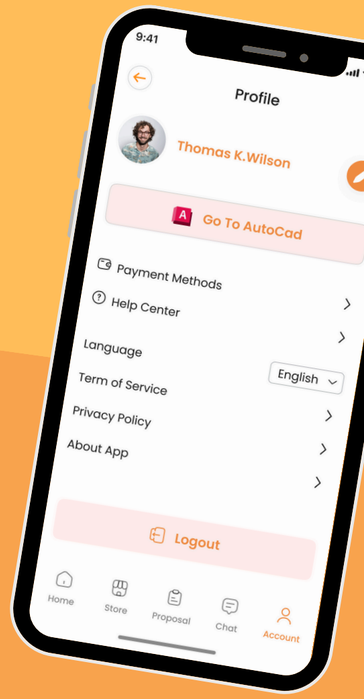
At Meter App, we connect people with top-tier construction services, making every project smoother, faster, and more efficient. Whether you're building from scratch or renovating, our platform ensures you find the right professionals to bring your vision to life.

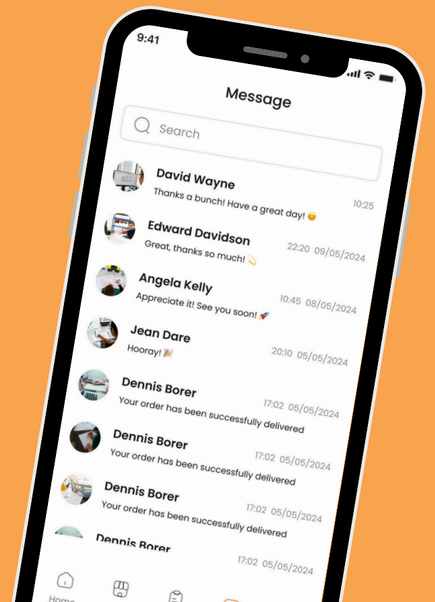
Application Overview

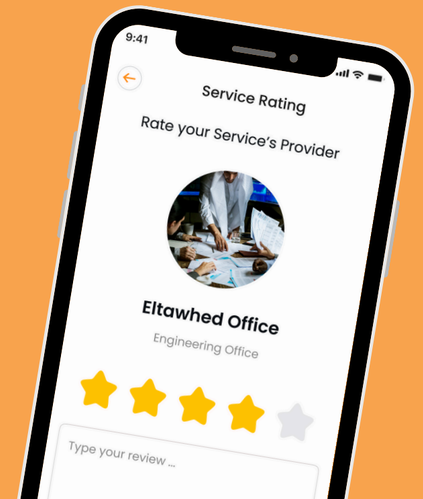
Meter App is an innovative construction service platform designed to connect users with reliable and professional construction service providers. Whether it's home renovation, commercial projects, or infrastructure development, Meter App simplifies the process by offering a seamless and user-friendly experience.











Application Features

01 Connect with verified builders, engineers, and contractors

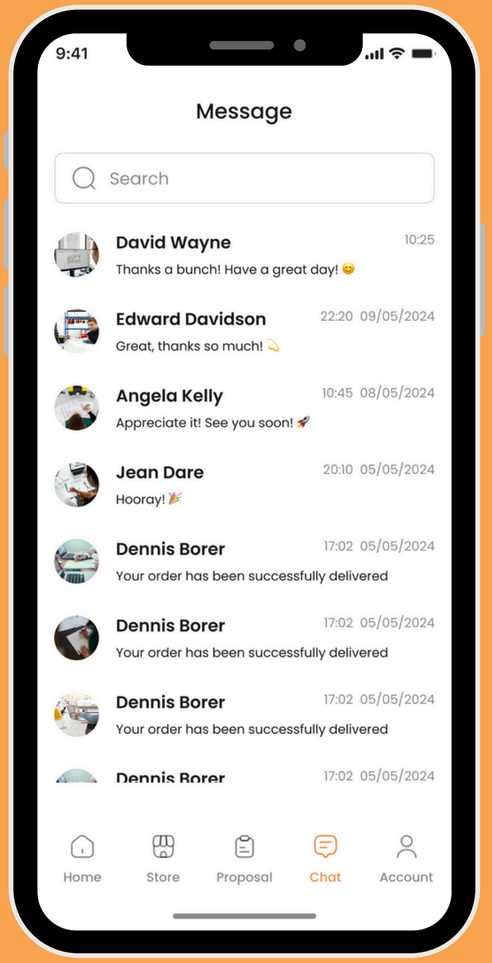
02 Track ongoing projects, manage timelines, and receive updates.

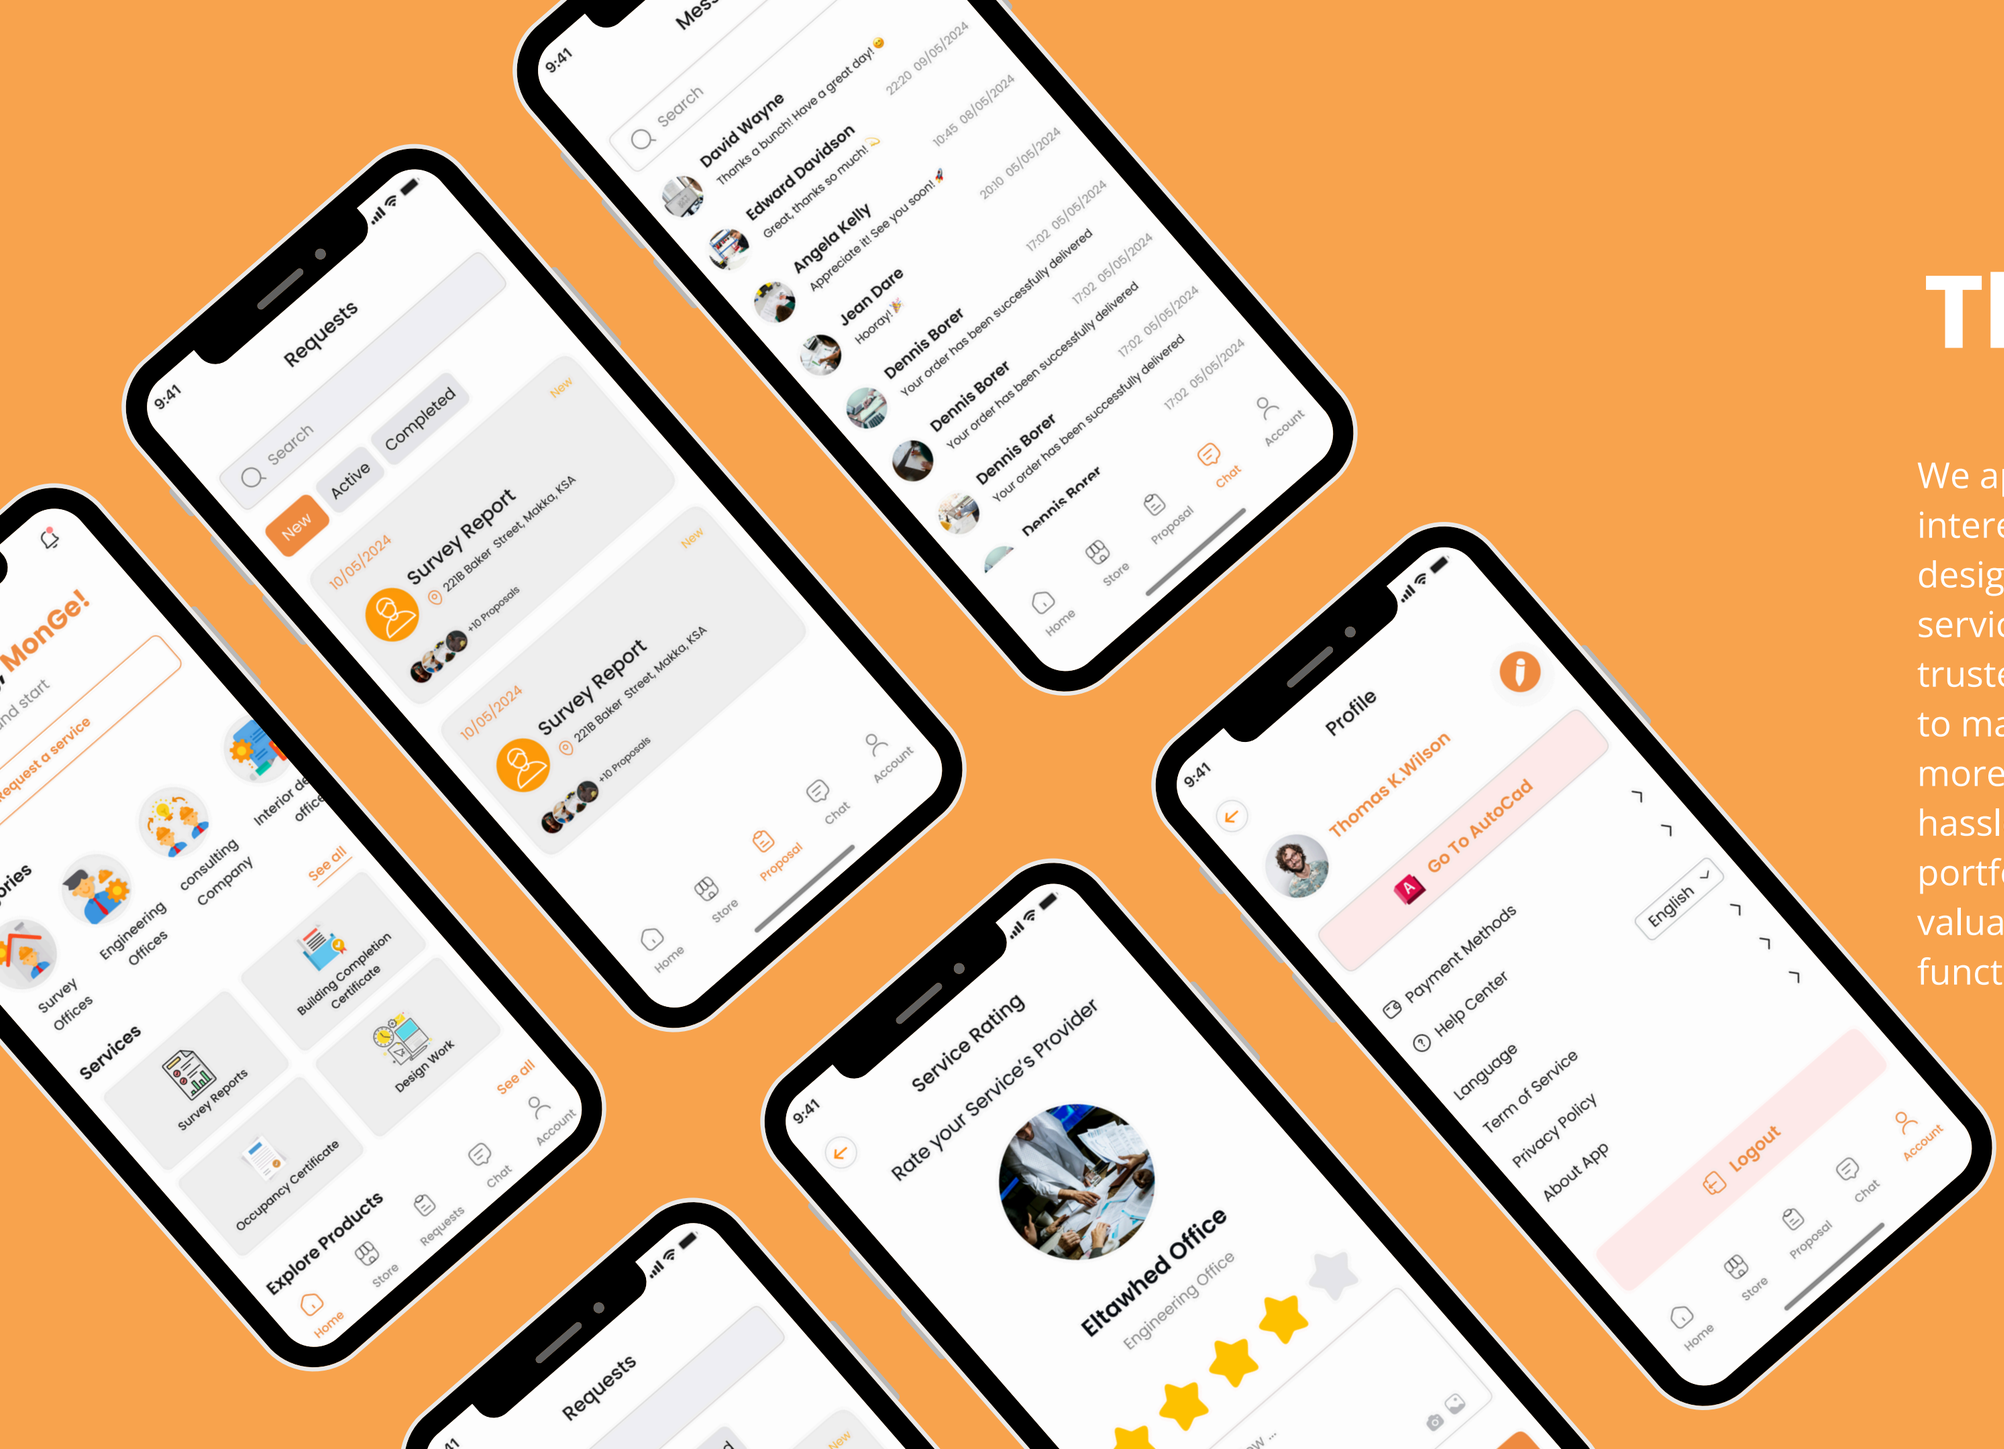
02 Get instant cost estimates based on your project requirements.

04 Browse services like plumbing, electrical work, painting, and more.

03 Ensure safe and hassle-free transactions.

06 Make informed decisions with authentic reviews.





Thank You

We appreciate your time and interest in Meter App, a platform designed to simplify construction services and connect people with trusted professionals. Our goal is to make every building project more efficient, accessible, and hassle-free. We hope this portfolio has provided you with valuable insights into the app's functionality and impact.
